Dear Parents,

Greeting from St. Paul's School, Pali

We have been working in the pandemic times to the best of our abilities and have ensured online classes through website & live for the better future of the students. The staff have been working hard preparing lessons and delivering them. Adapting to the online classes and tailoring it to be child friendly, our teachers have spent tireless days and months in this venture.

We are aware of the fact that the economic conditions of one and all are not that healthy and stable as it used to be. Yet we are to live with it, taking care of being safe and healthy.

The school also need to meet many expenses such as salary of the staff, various bills and other expenses. Your continued co-operation in this regard is much appreciated. Hence this year also you may pay 85% of (2019-20 rate) the school fees. Your co-operation in this regard is humbly solicited.

Kindly Note: Net banking is activated in the School Website to pay the school online.
