

ST. PAUL'S SR. SEC. SCHOOL, PALI

Dear Parents & Students,

As you are aware that Government has issued guidelines for re-opening of schools following Covid-19 safety protocols for the students of **Classes X to XII** in a phased manner. We are hopeful to get co-operation from the parents of our students in this regard. All the parents are requested to co-operate and adhere the following guidelines for the betterment and smooth running of teaching/ learning activities :-

- Send your children to the school regularly, whose classes have begun.
- The students of Class X & XII should come to school regularly **for the preparation of their Term-II Board examination.**
- The academic performance of students throughout the year would include Class test or Unit tests/ exploratory activities / Practical / Project etc. and the marks of internal assessment will be sent to the Board.
- Internal assessment for all the Classes , specially for Class X & XII will begin shortly and students are requested to attend the same positively.
- Please keep in mind, your future study, course selection etc. depend on your marks secured in Board Exam.
- Those students who have ONLINE CLASSES are requested to attend their classes regularly and be present until it is over.
- It is observed that whenever a question is asked to the students, they leave the online class. Please do not do this.
- Study materials, Question-answers for note book, assignment etc. are also uploaded on the school website, therefore visit the school website regularly.

Thank you,

PRINCIPAL
